RULES OF PLAY AND CONDITIONS OF COMPETITION FOR MSGA CHAMPIONSHIPS

The Rules of the United States Golf Association and their decisions govern play. See applicable Notice to Players and Entry Application for additional Local Rules and Conditions. Complete text of Rules and Appendix I may be found in the 2016-2017 Rules of Golf.

Unless otherwise noted, the penalty for breach of a Local Rule or Condition is: Match play – Loss of hole; Stroke play – Two strokes

RULES OF PLAY

OUT OF BOUNDS: Defined by inside points, at ground level, of white stakes, fence posts and white lines. Rule 27-1.

WATER AND LATERAL WATER HAZARD STAKES AND LINES: When a water hazard or lateral water hazard is defined on only one side, it is deemed to extend to infinity. When a water hazard or lateral water hazard is bounded by out of bounds, the hazard margin extends to and coincides with the out of bounds line.

GROUND UNDER REPAIR: Defined by enclosed white lined areas. French drains are deemed to be ground under repair. Ground under repair may include areas of unusual damage including wheel ruts, animal diggings and eroded areas in bunkers, but only when so declared by an authorized member of the committee. **All flower beds** are considered ground under repair from which play is prohibited and the player must take relief under Rule 25-1. Seams of cut turf are always GUR under the Local Rule in App. 1b page 129.

CART PATHS: Cart paths are immovable obstructions. Associated wear areas and white-lined areas tying into cart paths have the same status as the paths, that of obstructions.

WOOD CHIPS AND MULCH: Are loose impediments, unless otherwise provided in Local Rules/Notice to Competitors.

EMBEDDED BALL: Anywhere "through the green," a ball which is embedded in its own pitch-mark in the ground, except in loose sand, may be lifted without penalty, cleaned and dropped as near as possible to the spot where it lay but not nearer the hole. The ball when dropped must first strike a part of the course through the green. EXCEPTION: A player may not obtain relief under this rule if it is clearly unreasonable for him to play a stroke because of interference by anything other than the condition covered by this rule.

INTEGRAL PARTS OF THE COURSE: Include cables, rods, wires or wrappings when closely attached to trees; artificial walls and pilings when located in hazards, unless otherwise provided for in Notice to Competitors/Local Rules.

TURF PLUGS: On putting greens, turf plugs have the same status as old hole plugs and may be repaired under Rule 16-1c.

DISTANCE-MEASURING DEVICES: DMD's are allowed in all MSGA competitions under the following Local Rule: A player may obtain distance information by use of a distance-measuring device. If, during a stipulated round, a player uses a distance-measuring device to gauge or measures other conditions that might affect his play (e.g., elevation changes, wind speed or wind direction etc.), the player is in breach of Rule 14-3. (Rev. 1/2016)

CONDITIONS

LIST OF CONFORMING DRIVER HEADS: Optional Condition as prescribed in Appendix I is in effect.

LIST OF CONFORMING GOLF BALLS: Optional Condition as prescribed in Appendix I is in effect.

HANDICAP – The Committee reserves the right to modify a player's course handicap before or between rounds of the competition.

MSGA PACE OF PLAY POLICY: In effect unless otherwise indicated on Local Rules/Notice to Competitors. NOTE: See MSGA Pace of Play Policy.

SUSPENSION OF PLAY DUE TO DANGEROUS SITUATION: When play is suspended for a dangerous situation, if the players are between the play of two holes, they must not resume play until the Committee has ordered a resumption of play. If they are in the process of playing a hole, **they must discontinue play immediately** and not resume play until the Committee has ordered play to resume. If a player fails to discontinue play immediately, he is disqualified, unless circumstances warrant waiving the penalty as provided in Rule 33-7. All practice areas will be closed during a suspension for a dangerous situation until the Committee has declared them open.

NOTE: A suspension of play for a **dangerous** situation will be signaled by **one prolonged** siren or horn blast. All other types of suspension will be signaled by **three intermittent** siren or horn blasts.

UNBECOMING CONDUCT: Unbecoming conduct is, but not limited to: vulgarity, throwing equipment in anger, destruction of property, and verbal or physical abuse to any person. A player who is in violation may be subject to disqualification.

PLAY-OFF: If a play-off is required, the play-off will begin at the time and the hole designated by the Committee in charge after all players have completed the stipulated round. If conditions do not allow a play-off to occur or continue, there will be a matching of scorecards as prescribed by the USGA method (Page 143 Section 10(c) of the USGA Rules of Golf). If this procedure does not produce a winner, the winner will be determined by lot. Any player who fails to report for a play-off will be relegated to last place in the tied group.

CLOSE OF COMPETITION: The competition is deemed to have closed when the trophy has been presented to the winner or, in the absence of a prize ceremony, when all scores have been approved by the Committee. The result of a match is considered to have been "officially announced" when the Committee has approved the result as posted on the public scoreboard.

These rules and any local rules distributed by the Committee supersede anything printed on the host club's scorecard. The Committee in charge of this competition comprises those officials assigned by the MSGA whose decisions are final.
